Free Identity Theft Protection

Protect yourself from identity theft with around-the-clock monitoring, real-time alerts, and up to \$1 million in identity theft insurance. Get notified if your personal data appears in online breaches, credit reports, or the dark web. Email breach alerts help you act fast, while neighborhood safety reports keep you informed of local threats. If your identity is stolen, a dedicated restoration team is ready to help you recover. Stay one step ahead with active monitoring and instant warnings.

Legal

Get legal help including unlimited advice from an experienced attorney, review of important documents, free estate planning, and discounted flat and hourly-fee services. These include traffic ticket defense real estate closings and family law matters.

Dedicated Member Assistance

Our Member Success Team will connect you directly to our network of trustworthy attorneys, and answer any questions you may have in over 140 languages. Additionally, members have access to a Resource Hub with articles, videos, guides with up-to-date information and relevant programs.

Financial Guidance

Free financial guidance service to help you navigate your financial goals with confidence. Topics include budgeting, debt planning, home purchasing advise, and more. Our experts provide personalized strategies and ongoing support, empowering you to make informed decisions and achieve long-term stability.

Immigration Assistance

Get personalized support to help navigate the complexities of immigration processes. From visa applications to residency and citizenship, our experts offer guidance tailored to your unique situation, ensuring accuracy and compliance. With our help, you can confidently pursue your goals and focus on building a future in your new home.
